On Occasion of Foundation: intex consulting Thailand Co.,Ltd. (icT)

Company Profile

icT is a member of the world-wide operating intex-group, established out of the former VTMtex Bangkok Ltd.	icT is managed by two local Directors and a German Chairman of the Board.
icT combines man-power, knowledge and experience (more than 20 years), achieving high synergies and benefits for the ASEAN textile and garment market.	icT is a Thailand-Ltd. with own staff (intended are at least 5 to 7 people).
icT is a new venture with German basics in product as well as know-how and Bangkok local staff, partners and own subsidiary, combined with new local management.	icT provides you with a worldwide leading textile ERP product = intex which is already running in the Asia market, especially in well-known and large textile mills (in Thailand as well).
